

Automated Bike Rental Network

The future of bike rentals

How does it work?

Insert your card, grab a bike and go. Return your bicycle to the station 24 hrs a day. It's that easy! A central computer server tracks each Spinway bicycle through RFID technology.

The station

The Spinway station was created with design and functionality in mind. It is stylish, secure and easy to use. Modular in design, it can house a large fleet of bikes. Single or double sided and can even accommodate kids bikes.

Being solar powered and portable, it allows for easy installation. Green and eco friendly.

The Bicycle

Spinway has designed the bicycle to be comfortable, robust and hassle free,

Hassle free features:

- Puncture proof tires.
- Chain protector
- Enclosed internal gears and brakes
- Internal cables and housing
- Low step through frame
- Adjustable seat
- Custom basket carrier

Why go Spinway?

Convenient bike rental, thats fun and easy to use! Healthy and green for the environment.

The entire rental process takes less than 60 seconds from rent to release, then hop on and go ride!
